I have read and understood the guidance for this application.

I have read and agree to be bound by the Institute's Code of Conduct.

As far as I am able to ensure, the information I have provided is true and accurate. I understand that knowingly providing false or misleading information, or failing to advise the Institute of such once it is known to me or suspected, could nullify this application.

I can supply further information to support this application if needed.

I have enclosed a part refundable cheque for £65 payable "IIAI".

£22.50 of the monies I have paid for this application and the first year's membership fee will be consumed by administration processes. In the unlikely event that my application is unsuccessful following joint, reasonable attempts by myself and the Institute to resolve things, I understand that the total available for refund would be £42.50.

I understand that as a Full Member of the Institute I...

May use the designatory letters MIIAI after my name.

Will receive a membership Certificate that remains the property of the Institute at all times.

Will receive a membership Card.

Will have free access to the members only on-line forum (subject to the terms there).

Will have access to the member's only pass word protected reading area.

As soon as it resumes...

Will receive free, or have free access to, the quarterly e-bulletin.

Will be able to call the Institute's authorised help-line (subject to the terms there).
